Sustainable Business Partner

Virksomheden har demonstreret kapaciteten til at anvende CSR ledelsessystemet e4
e4 er et CSR ledelsessystem, som er udviklet af Green Network. Ledelsessystemet består af fire spor, economy, ethics, environment og employment, der bygger på internationale standarder for CSR. Virksomheden er certificeret i at bruge anerkendte værktøjer og metoder til at organisere og lede virksomhedens samfundsansvar, udvikle strategier og udarbejde handlingsplaner samt evaluere egen praksis. Virksomheden har gennemført et fem-dages træningsprogram og bestået en eksamen med eksternt censorpanel. Green Network har siden 1994 arbejdet for at fremme virksomhedernes samfundsansvar til gavn for virksomhederne og det omgivne samfund.

Certifikatet er udstedt den 16. september 2016 og er gældende i 2 år fra denne dato.

The company has demonstrated the capacity to apply the CSR management system e4
e4 is a CSR management system developed by Green Network. The management system comprises four areas based on international CSR standards: economy, ethics, environment and employment. The company is certified in using recognised tools and methods to organise and manage the company's social responsibility, develop strategies, prepare action plans and assess its own practice. The company has completed a five-day training programme and passed an examination administered by an external panel of examiners. Green Network has since 1994 worked to promote companies' social responsibility for the benefit of the companies and the surrounding society.

The certificate was issued on the 16th of September 2016 and is valid for two years from this date.
